

## BPCU Financial Administrator Announces Retirement

After 26 years of dedicated service to Beautiful Plains Credit Union, Donna Huck has decided to retire. Donna started at BPCU as a part-time teller in 1989, and moved into a full-time position in 1991. From there she was moved into a supervisor role in 1998 and later promoted to the management level as the Financial Administrator in 2011.

Having fulfilled many different roles at the Credit Union, Donna is a knowledgeable staff member who will be missed for her dedication to the Credit Union, often working hours after the branch was closed.

Donna embodied the spirit of the Credit Union by being involved in her community. She is a past scout leader, member of the CWL and Neepawa & Area Wellness committee, and was a Sunday school coordinator for her church.

Alongside her busy work and volunteer life, Donna is also very musical. She is an organist at St. Dominic's church, and sings in the Neepawa Choraliers and Community Choir. Upon retirement, we imagine these organizations will benefit from much more of Donna's time. The staff and management are sad to see a valued longtime colleague leave, but we wish her all the best in her retirement!
